

METROPOLITAN NASHVILLE AIRPORT AUTHORITY

ABOUT MNAA

The Metropolitan Nashville Airport Authority (MNAA) is the governing body responsible for the operation of Nashville International Airport (BNA) and John C. Tune (JWN) Airport and consists of a 10-member Board of Commissioners appointed by the Mayor of Metro Nashville and approved by the Metro Council.

MNAA Mission and Vision: To provide the Nashville Airports Experience through outstanding customer service, facilities and services, bringing the heartbeat of Music City to the airport.

A RESULTS-DRIVEN ORGANIZATION

MNAA earned the prestigious Excellence Award in 2012 from the Tennessee Center for Performance Excellence (TNCPE) for meeting the highest standards of excellence in organizational performance.

MNAA's Department of Public Safety is accredited by the Commission on Accreditation for Law Enforcement Agencies and was the first airport safety agency in North America to achieve this certification. It remains one of only eight in North America to have achieved it.
